CO-DEFENDANT:

VICTIM/WITNESS:

Victim: **STATE OF FLORIDA** / **1891 JIM KEENE BLVD WINTER HAVEN FL 33880 (863)298-6200**

PROBABLE CAUSE:

- 1) Your affiant is a Detective with the Polk County Sheriff's Office. On 10/3/2018, I received an e-mail tip advising me a subject had made numerous threatening remarks on their Facebook account. I was provided with a link to the account. The name on the account is James Patrick.
- 2) I accessed the account, which is open to the public. I observed numerous threatening posts. The threats were made toward office holders of the Democratic party as well as local and federal law enforcement officers/agencies.
- 3) The threats included the following statements: "Just bought 12 boxes of hollow point 50 caliber bullets...have plenty of ammo for my sniper rifle and bought a suppressor. Have made sure all my arrangements have been made and care for my dogs because I will not be coming home. Have made extra precautions and added more supplies in the tunnel under my house in case local or federal law enforcement tries to stop me."
- 4) "Getting ready if Kavanaugh is not confirmed.....whoever I think is to blame may God have mercy on their soul. Just cleaned out the gun shop where I get guns, ammo and target practice. Bought all their 50 cal hollow points. I expect to be confronted and I will be ready to kill and ready to die."
- 5) I am about to accept an offer on my house just to get more money to fund my plan to kill democrat office holders and their families. It is all I think about night and day. I even wake up in the middle of the night, most nights, thinking about it. Ultimately I will be killed but hopefully I will have killed many many liberal elected in Washington."
- 6) While viewing the Facebook account, I observed several photos of James Patrick as well as several photos of guns and ammunition. He also had several photos of his vehicles which included the license tags. He also had several photos of his residence.
- 7) I was able to determine the Facebook account belongs to James Royal Patrick, Jr, W/M, 11/30/1964.
- 8) I determined James Royal Patrick, Jr had intentionally composed and sent electronic communications containing threats to kill Democratic officer holders, members of their families and members of both local and federal law enforcement agencies. His threats described multiple victims and were interpreted as possible acts of terrorism.
- 9) An affidavit was completed charging James Royal Patrick will Written Threats to Kill (F.S.S. 836.10).
